

Testimonial for Lee Petersen and the UPS Store

My name is Kris Hoffman. I live in Oregon and work on the West Side of Madison. Neither location is close to the UPS Store in Middleton, but I drive there because they have the best service I have ever experienced with regard to shipping items. Recently, I brought in a box of toys headed to a distribution center for Hurricane Katrina victims. I had brought in my box, still open on one end, and the scribbles of a mailing address on a piece of paper. I was greeted with a smile and a friendly hello. There was never a moment of frustration – just the much needed help of the UPS store staff. I left, as I always do, feeling completely at ease knowing my package will arrive in a timely manner and in the condition expected. And nothing beats all of that at a fair price!
