

Testimonial for Robin Mummert with Carol Blulm and Associates Interiors
Dated June 30, 2008

I would like to give a Special Thanks to Robin for all the help she gave Connie and I in putting new carpet in our living and family room. To start with Robin was able to help us find the exact carpet that we were looking for and then making the installation feel like a breeze. The installation was done at our convenience and was scheduled over two days to make moving furniture easier. The end result was that we had Great new carpeting at a Great price and was done painlessly.

Thanks Robin for a job well done.

Sincerely, Tom and Connie sue Prochnow
