

### Testimonial for Juscha:

I have always been overwhelmed by the idea of having a will drawn up, and my husband and I had let this very important task go undone for many years. Juscha is a knowledgeable, approachable person, so I felt comfortable in talking to her about getting it started for us. What I thought was going to be a very complicated and intimidating process was anything but. Through careful listening and educating us of choices in our best interest, she created the type of will that worked best for us, as well as health care and financial power of attorney documents. Juscha was patient and professional from the initial interview to the final signing and was efficient and reliable with her communications and follow-up, too. Juscha is a pleasant, intelligent, reliable, attorney and I recommend her without hesitation.
